## ANNUAL GENERAL MEETING - 26<sup>TH</sup> NOVEMBER

*A note from the Commodore:* Monday 26<sup>th</sup> November at 8.00 p.m. in the Clubhouse is where you need to be to contribute to the discussions on the way forward for SDC in 2002. Whatever about expressing opinions throughout the year (and many of you do!) about what "they" should or should not do, the Annual General Meeting is where YOU decide on who will be running things for the next season, and make major decisions about the Club's future.

*The AGM is where you get to hear first-hand how our Club is doing, financially and otherwise, and to elect your new Committee. Traditionally, most members just don't bother attending the AGM - it seems that they just assume that others will, and that "there isn't much point anyway", since "the usual lot" will just get elected and things will carry on as before. However, this year you are being asked to vote on a proposal to raise the membership subscription rates for 2002 to reflect the real costs of maintaining our facilities and services. For the past nearly 10 years, our subscription rates have remained unchanged: during this period the Consumer Price Index rose over 25%. The proposed rates are detailed on the inside pages.*

Despite the setback last year with An Bord Pleanála's decision to overturn the Co. Council permission for our boatpark extension, the problem hasn't gone away. More than ever, **WE NEED MORE BOAT AND CAR PARKING SPACE - FOR THE PEOPLE WITH BOATS THAT WE ARE CURRENTLY TURNING AWAY.** This Club needs a critical mass of members to survive, and we are preparing a new Planning Application. *Our Club exists because the original members had a vision of how they might enjoy sailing and sociability in Sutton Creek; it has succeeded over the following years because newer members committed themselves to improving its capacity and facilities.* If this project is to succeed, it will only do so if it is what YOU, the present membership, believe is the way forward - and are willing to see it through this time. **This AGM is another vital step in the process - and I invite each and every member to attend.**

*As I am stepping down as Commodore this year, I would like to thank all the members for their support and encouragement over the past three years, and ask that you continue this for the incoming Commodore and Committee - they deserve it!*

---

*BONUS: the AGM will be followed by a Cheese & Wine reception for those who had arrived at or before 8.00 p.m. - don't be late!*

# PROPOSED INCREASE IN SUBSCRIPTION RATES

For the past almost 10 years, this Club has maintained the subscription rates at their present level, and managed to make up the shortfall in income by various means - fund-raising, sponsorship of events, and of course the income from courses. However, as a body of members, we have been "living beyond our means", and cannot continue to rely sources of income which may prove to be unreliable.

After much discussion and debate as to what might be appropriate, the Committee have decided to recommend a modest increase of between 10 and 12% for most categories. The sole exception is the Associate category, who are being asked to contribute an extra £1.81 per year (not even the price of a pint - if you could get one!), bringing their new rate to 15 Euros.

	<u>EXISTING RATES</u>		<u>PROPOSED FOR 2002</u>		<u>Increase %</u>	<u>Increase IR£</u>
	(£)	(Euro)	(£)	(Euro)		
ORDINARY:	IR£100	127	IR£110.24	140	10.24%	IR£10.24
FAMILY:	IR£150	190.5	IR£165.35	210	10.24%	IR£15.35
YOUTH:	IR£60	76.2	IR£66.93	85	11.55%	IR£6.93
TEMP FAMILY:	IR£100	127	IR£110.24	140	10.24%	IR£10.24
ASSOCIATE:	IR£10	12.7	IR£11.81	15	18.11%	IR£1.81
HARD SPACE:	IR£35	44.45	IR£39.37	50	12.49%	IR£4.37

Although the Hard Space parking rates are not subject to a vote at the AGM, they are being shown here so that members can have an idea of what the total cost of their membership is likely to be for 2002. The Committee believes that the proposed membership rates represent very good value - especially for those who participate fully in the Club activities! If you don't get out on the water, it's rather an expensive hobby - the more you do, the more you get for your money!

## *DISABLED SAILOR WINS GOLD!*

Feargal Kinsella, son of former SDC member and GP 14 sailor Eamon Kinsella, has just won the 2001 Champion of Champions Regatta in dramatic fashion by .75 points in what has been one of the closest finals in its 54 year history. *Feargal, a member of Howth Yacht Club, was nominated by the Irish Disabled Sailing Association. He has been sailing all his life and continued after a motorbike accident confined him to a wheelchair.*

After five races the top three boats were only separated by 1.25 points. Going into the final anyone of four boats could have clinched the title. To secure his victory Feargal had to catch four boats on the final downwind leg moving from 8th position to 4th. *Well done Feargal!*

## **PLAN AHEAD - DIARY DATES!**

After the AGM, and the Annual Dinner - there's more! - don't forget:

## TO CORK & BACK - FOR NOTHING!

Ten SDC members were on the early train to Cork on Saturday 13<sup>TH</sup> October in a bid to regain the Book Trophy from the Royal Cork Yacht Club.

*But no wind meant no sailing, and the Books remain in Cork for another year - until RCYC visits Sutton next year.*

## **SINCERE CONDOLENCES**

The Committee and members extend deepest sympathy to the family of the late Cormac Gordon, who died recently. The Gordon family have been very involved in Club sailing for many years, and Cormac's wife Mary served on the Committee.

*May he rest in peace*
